Anvers

Musée de Folklore consacré aux objets usuels dont se servaient les Flamands d'autrefois ... dans une vieille maison de la ruelle du Saint-Esprit, tout près du Musée Plantin, au centre du vieux Anvers. Ce Musée comprend déjà trois mille objets ayant trait à la maison, à la famille, et à la vie familiale, aux professions et métiers, à la vie sociale, à la vie administrative ou judiciaire, à la vie religieuse, à la magie, aux fêtes, à la littérature, à la musique, au théâtre et à l'art.

D'autres musées du même genre ont été créés à Gand, à Bruges, et à Liège.
